These two superheroes had had a lifetime of saving lives. Day after day they had battled the streets, fighting crime and protecting innocent people from the clutches of evil.

Now, their lives were slightly less busy, as they left saving the world to younger superheroes. However, they still had the energy for one last mission. The phone began to ring...

Who do you think is calling them?

Your task is to write a letter as if you are one of the coloured crayons.

What do you enjoy colouring in as a crayon e.g. I am the red crayon, I love being used to colour in hot flames, strawberries and love hearts.

Illustrate your writing by drawing a picture of all the things you colour in as that crayon.
