

Dear GHS Families,

Welcome back to Gulf Harbour School. Don't we live in the most beautiful place on the globe. There hasn't been a day these holidays where I haven't thought about just how fortunate we are to be here. I trust you have all had a lovely Christmas break over the holidays and have treasured some family time.

We are looking forward to a full year of sport. There will be a variety of sports offered this year and we look really forward to working with the community and bringing us all together through this vehicle. At Gulf Harbour School we value sport highly and like to create as many opportunities as we can for our children to be involved in as many sporting experiences that are possible. We try and find a way for every child to participate therefore registering on time is very important so that we can confirm teams early and if necessary look at how we can cater for children where numbers exceed the given number of teams we are allowed to enter. **A late registration fee will apply this year for any registrations made past the due date. This fee will be \$10.**

#### **Covid 19:**

In the event of Covid 19 interrupting our GHS sport a decision from the governing sporting body is responsible for the refunding of fees. This is different across codes. Whatever refund GHS receives will be refunded to you as a credit in your account.
